

## Approved Backflow Device Repair & Retest Companies for LCUB Area

The companies on this list are authorized to repair and retest backflow preventers in the Lenoir City Utilities Board area.

After repairs, the backflow preventer must be retested. The retest can be conducted by:

1. The companies on this list at a cost agreed upon by the company and you, or by
2. TUA, at a cost not to exceed \$50, which will be billed to the customer through LCUB billing.

This is solely up to you.

**PLEASE NOTE: It is the responsibility of the company or person who conducts the retest to send his/her reports to TUA. These results may be faxed to (615) 898-8283 (ATTN: Ali) or scanned & e-mailed to [alihite@tnutility.org](mailto:alihite@tnutility.org). Please be sure to provide the testing company with this information so that your device repair & retest are properly documented.**

If you wish to have TUA retest this backflow preventer after repair, or if you have questions regarding this process, please contact Brent Ogles with TUA at (615) 556-6002 or Chad Dotson with Lenoir City Utilities Board at (865) 988-0764.
